All loans are subject to credit approval and to all FFCU policies and procedures. Rates are based on your credit history and term of loan. Rates and terms subject to change without notice. \*4.99% APR is for new auto loans up to 48 months. Representative example: A \$20,000 new auto loan at a fixed rate of 4.99% APR for 48 months would require 48 monthly payments of \$462.41. The rate reflects a 1.00% APR discount through automatic transfer from a FFCU checking account, and the 0.25% APR "green" loan discount.
